

EXPLORE HERRETT: SUMMER WORKSHOPS FOR KIDS

Select Wednesdays, 1:00—2:30 pm

Child's Name: _____ Age: _____

Parent Name: _____ Parent Phone: _____

Parent Email: _____

June 6th: Seed Bombs *For ages 6 and up* **Cost: \$5** _____

Flowers look pretty and smell wonderful but can also be beneficial in so many ways! Participants in this workshop will be able to learn about the benefits of some kinds of wildflowers and get their own hands dirty making wildflower seed bombs that they can take home and plant.

June 13th: Nature Sun Catcher Chimes *For ages 7 and up* **Cost: \$5** _____

Take the beauty of nature and turn it into a beautiful wind chime! Participants in this class will be able to use leaves and flowers to make several small sun catchers, and then use those sun catchers to make a wind chime.

June 20th: Ooey, Gooey Slime! *For ages: 6 and up* **Cost: \$10** _____

Kids everywhere love to play with slime! In this workshop, participants will be able to learn about some creatures that make their own slime and then try their hands at mixing up a few different kinds of slime for themselves.

June 27th: Rattle Drums *For ages: 6 and up* **Cost: \$5** _____

Bolangu. Nodo. Pellet Drum. Rattle Drum. Whatever name it may go by, there is no doubt that this drum is a popular toy for kids of all ages around the globe. In this class, participants will learn about rattle drums and get to make one of their own to take home.

July 11th: Coastal Construction *For ages 6 and up* **Cost: \$5** _____

Explore Northwest Coast art and architecture in this hands-on diorama-building workshop! Participants in this class will first investigate how environment influences material culture and home design, then they will cut, color, and construct a paper diorama of a Northwest Coast Native American village, complete with totem pole and villagers.

July 18th: Hoops & Darts *Ages 8 and up* **Cost: \$10** _____

Try your hand at this classic Native American game using traditional materials to construct a set of prehistoric lawn darts. Participants will build a set of corn cob darts and a willow hoop, then learn the rules of this fun pastime on the Herrett Center front lawn.

July 25th: Keith Haring Art Project *Ages 8 and up* **Cost: \$5** _____

Iconic pop artist Keith Haring took the world by storm in the 80's with his simple, yet fun drawings using bold outlines and bright colors. Participants in this class will study some of his famous art and create their own Haring-inspired art pieces.

August 1st: Paper Beads *Ages 8 and up* **Cost: \$5** _____

People have been making beads out of all kinds of materials for thousands of years. In this class, participants will learn how to make beads out of material that is readily available to most everybody- paper! Experiment on making different styles of beads based on the types of paper used, various types of cuts, and how tightly the beads are made.

August 8th: Searching for Treasure! *For ages 4-7* **Cost: \$10** _____

Treasure hunts are always fun but it is important to have a treasure chest to stash all your treasures! Participants in this class will be able to decorate their own treasure box and once everyone is done, go on a treasure hunt on the Kinney Court of the Herrett Center.
