ABOUT THE HERRETT CENTER:
The Herrett Center for Arts & Science is a non-profit museum, planetarium, and observatory located on the College of Southern Idaho campus. Our purpose is primarily educational, offering programs to elementary and secondary school students, CSI students, and the adult community of south-central Idaho. The Center collects, preserves, interprets, and exhibits anthropological artifacts and natural history specimens with an emphasis on the prehistoric Americas.

BECOME A MEMBER!
A membership to the Herrett Center is designed to give you an enhanced experience each time you visit. Members receive exclusive invitations to exhibits and lectures, reduced-price admissions, gift shop discounts, an e-newsletter subscription, special rates on rentals, and even more!
